

Under Covid-safe guidelines we ask you to:

- ✓ Use hand sanitiser as you enter and leave the church.
- ✓ Collect your own copy of today's *Order of Service, Together in Song* and *Uniting in Worship* from the seats in the Narthex - they have been sanitised for your safety. Please return them to the same seats at the conclusion of the service. Do not share the books.
- ✓ Wear your face mask indoors during the service. [Note: the minister, reader, and five choristers are allowed to remove their masks when speaking or singing.]
- ✓ Sit at a safe 2m distance from others in every direction, except that people from the same household may sit together. [Singing choristers will be spaced at least 5m from the congregation.]
- ✓ To join in the hymns and psalm refrain, just thoughtfully follow the texts and/or quietly hum the tune. Humming doesn't spread aerosols, and five choir members will do the singing for you.
- ✓ All doorways will be open - please use any door to enter and exit the church.
- ✓ Please do not congregate or socialise indoors.
