PRAYER OF CONFESSION

Most loving and most lovely God, we yearn for you and adore you, as we have done on frequent occasions, we commit ourselves to your mercy, knowing that you are here waiting for us.

If, like sleep walkers, we wander from you without realising what we are doing, lead us back to where we truly belong, we pray.

Faithful and most liberal God, please help us to let go of excuses and fears; to release ourselves into the abundance of your saving grace in Christ Jesus; to humbly accept forgiveness; and to allow your Word to point our minds to noble goals and direct our feet in the paths of love. Through Jesus our Lord  
***Amen!***

Friends we are the shareholders of a great fortune. Out of the storehouse of God's loving, we have received grace upon grace, and are granted the right to become children of God.  
***Thanks be to God.***

PRAYERS OF THE PEOPLE/ LORD'S PRAYER

Holy Friend, help us in these prayers to let go of our self-importance, to align ourselves with your will; and to co-operate with all that you are doing for the liberation and healing of humankind.

We hand over to you our loved ones and friends, near or far away; May they, whether strong or weak in faith, co-operate with your purposes and fulfil their lives in ways beyond their anticipation.

We hand over to you our church, its members and its leaders. May we, in concert with your universal church on earth in its many branches, participate in the mission of Christ with humble zeal and untiring love.

We hand over to you the individuals within the church family for whom today seems like an uneven battle with adversity. May they know that around them are the "everlasting arms" which never weary or faint.

We hand over to you our brave but gravely flawed systems of democratic government. May the better intentions of our politicians survive the cynical pressures of powerful lobby groups and become legislation that will better the lives of the least powerful among our citizens.

We hand over to you systems of government in other nations that seem even more flawed than ours. Just as you are prepared to work within our limitations, may your Spirit also work within theirs, and bring the world closer to peace and goodwill for all.

We hand over to you the coming week. Whatever pleasure, pain, uplift or downfall, may come our way, please give us the grace to entrust all things to you, that both good and bad may be woven into a tapestry of greater purpose, and our daily lives declare your praise. Through Christ Jesus our Friend and Redeemer  
***Amen!***
